#### MESSAGE FROM REVD ANASTASIA

Beautiful Saints planted by grace in this community, peace be with you. This week we move closer to the end of our liturgical year, and are challenged by Jesus to reflect on our stewardship of all that He has entrusted to us. The parable emphasizes the abundance of what we are entrusted with, the amount of joy that is possible in sharing this ministry with Jesus, and the call to staying faithful to the end.

We receive this challenge from Jesus at a time when we are asked to seriously consider how to show the depth of our gratitude to God, for all that He continues to entrust to us. Not only individually but as a community of faith, God seeks to use us powerfully to bring the fullness of the Kingdom into being. On Saturday we will spend time in the Strategic Planning session discerning together that specific call that God is placing on our community. We will be prayerfully putting into place some concrete structures and systems to support that call. And we will be working to find ways to fund the ministry God seeks from us. All of this is dependent on our individual members being full participants in the ministry of All Saints. Not only through financial giving, but also through the offering of time and talents. For those of you who have not yet completed your Dedicated Giving form, this is yet another opportunity to pray through where the Spirit may be needing your to offer yourself. May this be a time of building the legacy you choose to leave for Jesus. Pray for me, I am praying for you.

With love and light on your week ahead.
